

Decisive Operation Against the American Crusaders at Kismayo Airport in Support of our Muslim brothers in Palestine

12 Rabi' Al-Awal 1447H (04 September 2025) – By the grace and power of Allah the Almighty and following meticulous planning and reconnaissance, the Mujahideen have today launched a decisive and precise operation against the American crusader forces entrenched at Kismayo Airport, a key logistical hub and military command post occupied by the crusader forces in Southern Somalia.

By the blessing of Allaah alone, the operation resulted in the destruction of military vehicles, the collapse of key infrastructure and casualties within the ranks of the crusaders. This attack is a direct act of solidarity with our besieged brothers and sister in Palestine, where the Zionist forces, with full backing from the United States and its Western Allies, continue their campaign of genocide and ethnic cleaning against our families in Palestine.

The United States is the enabler and the chief financier of the genocide against the Muslims of Palestine. Every missile and every bomb dropped on innocent unarmed children and every home demolished is enabled by American weapons, intelligence, and political cover.

To the Muslim Ummah we say: rise up in support of your Muslim brothers and sisters in Palestine. Heed the call of Jihad and avenge the deaths of your fellow Muslims. Target the Zionists and the American Crusaders and all those who support them from the apostate regimes. Allaah the Exalted said: **“And what is wrong with you that you fight not in the Cause of Allah, and for those weak, illtreated and oppressed among men, women, and children, whose cry is: "Our Lord! Rescue us from this town whose people are oppressors; and raise for us from You one who will protect, and raise for us from You one who will help.”** [An-Nisaa, 75]

And finally, we say to the American crusaders and their puppet regimes: your support for the slaughter of Muslims in Palestine will not go unanswered. As long as your occupation of Muslim lands continues, as long as you continue to support the Zionist regime in its genocide against our Muslim families in Palestine, as long as our children are buried under the rubble, our raids will continue - until Allaah grants us victory over the disbelieving forces or we meet Him as Martyrs, **“And Allah has full power and control over His Affairs, but most of men know not.”** [Yuusuf, 21]

“But honour belongs to Allah and His Messenger, and to the Believers; but the Hypocrites know not”
